Core Values

Efficiency

Patient service lies at the heart of our work. We strive to ensure that our medical knowledge and resources are optimally utilized to serve our patients in the most efficient manner.

Compassion

People who come to us can expect staff members who will treat you with respect, dignity and compassion and will walk an extra mile to ensure that you receive the care you deserve.

Excellence

This is the ultimate aim of all our efforts. We endeavor to ensure that all aspects of our systems reflect this value and our services surpass your expectations.

Consistency

We take great measures to make sure that highest level of patient care and satisfaction is met at every stage, every time. We believe that only through consistency, we can retain our patient's trust and fulfill our goals.

Trust

Your health and safety is our topmost priority. We trust our exceptional caregivers to take care of you and your loved ones and their ability to provide them the highest standards of medical care.

Accountability

Ethics and accountability are integral part of our culture. We take pride in our accomplishments and take full responsibility for our shortcomings so that we can serve you better.

Our Vision

To bring affordable, quality patient care within the reach of every individual and produce skilled, competent, and ethical medical practitioners.

Our Mission

To become the most trusted institution for world-class healthcare and medical education in the state of Uttarakhand.

- ✓ Providing the highest quality patient care.
- ✓ Establish state of the art infrastructure, clinical and nursing care expertise.
- ✓ Provide quality medical education to nurture skilled Medical Practitioners.
- ✓ Doing charity to humanity irrespective of caste, race, or denominations.

Graphic Era

Transforming dreams into reality

Graphic Era Group of Institutions is a renowned education conglomerate known for academic excellence, innovation, and holistic development. With a strong legacy, it comprises universities, a medical college, school, and hospital—offering diverse programs across disciplines. Recognized for research, infrastructure, and distinguished faculty, the Group continues to shape future leaders and contribute to societal progress.

About GEIMS

Graphic Era Institute of Medical Sciences

Graphic Era Institute of Medical Sciences (GEIMS) began its journey with an intake of **150 MBBS seats**, all of which were filled in its very first academic year, reflecting the strong trust and enthusiasm of aspiring medical students and their families.

Established under the esteemed Graphic Era (Deemed to be University), which has over **30 years of experience** in delivering world-class education, GEIMS combines global academic standards with advanced medical infrastructure to prepare doctors for the future of healthcare.

The institute is backed by **Graphic Era Hospital**, a modern, healthcare facility equipped with some of the most advanced medical technologies. Designed with a focus on digital learning and modern pedagogical approaches, the campus provides an immersive and future-forward environment for aspiring healthcare professionals.

About Graphic Era

(Deemed to be University)

The University is a premier name in the field of higher education in the country and has constantly been setting benchmarks through its quality higher education practices, rich academic rigour and an exceptional research pedagogy. Graphic Era is the only University in the state of the Uttarakhand to have been ranked amongst the Top 100 Universities of India as per the National Institutional Ranking Framework (NIRF), Government of India, for the past 3 Years consecutively.

The University has established a global reputation for delivering quality professionals in the fields of Engineering and Management with more than **50000 Alumni** working at some of the biggest corporations in the world. The University has also established a strong culture of promoting and nurturing startups through its Technology Business Incubator and multi-tier incentive system, resulting in some of the most prominent startups coming out of the state tracing its origins at Graphic Era.

Graphic Era is also home to more than 250 International Students from more than 20 countries studying full time at our campus in Dehradun bearing testimony to the quality of education being delivered globally.

Brief Profile

The Founder-President of the prestigious Graphic Era Group of Institutions, Prof. (Dr.) Kamal Ghanshala, is a visionary academician and edupreneur. Under his dynamic leadership, Graphic Era has emerged as a centre of excellence in higher education and advanced healthcare. His unwavering belief in nurturing talent and building meaningful institutions continues to inspire everyone across the Group to dream bigger and do better.

From the President's Pen

Our sincere efforts in the field of Higher Education over the past 3 decades have paid off in the form of a very successful Alumni Network and a rich culture promoting Academic Excellence at Graphic Era.

Graphic Era Institute of Medical Sciences has been established with the same vision, carrying the same sincerity towards Medical Education, promising the best equipment and the best environment for budding doctors to flourish and deliver competent professionals capable of handling challenges at the Global Level.

The Institution is fully equipped with state of the art medical infrastructure and will be setting benchmarks in the field of quality medical education in the decades to come.

Prof. (Dr.) Kamal Ghanshala

President, Graphic Era Group of Institutions

From the Chancellor's Desk

Modern Healthcare for all is one of the biggest challenges that the country currently faces and the National Leadership has taken revolutionary decisions in this regard to ensure no fellow countrymen is denied quality healthcare. Graphic Era Institute of Medical Sciences has right from its inception catered to patients under Ayushman Bharat and other beneficiary schemes playing an important role in the country inching closer towards this goal.

The Institution carries the same ambitious approach and vision in the field of Medical Education as it aims to bring the best global healthcare practices and medical education standards to the students of the country, and promote cutting edge research in the field. The institution promises to be a premier healthcare centre producing some of the finest doctors in the country, delivering ethical and affordable quality healthcare to the citizens of the country.

Dr. Vijay Kumar Saraswat

Chancellor, Graphic Era (Deemed to be University)
Member NITI Aayog, Co-Chair PMSTIAC (Prime Minister's Scientific,
Technology & Innovation Advisory Council) & Former DG, DRDO

Brief Profile

Dr. Vijay Kumar Saraswat, a distinguished figure in Indian science and defense, has dedicated over four decades to groundbreaking research and innovation. Currently serving as a member of NITI Aayog and co-chairing the Prime Minister's Science, Technology, and Innovation Advisory Council (PM-STIAC), Dr. Saraswat's journey spans a wide array of domains in basic and applied sciences, marked by remarkable achievements. His academic journey began with engineering studies and culminated in a Ph.D. Dr. Saraswat's contributions to India's defense capabilities are noteworthy, with his pioneering work in missile development, the establishment of a ballistic missile defense system, and the creation of the Light Combat Aircraft Tejas. He has also played a pivotal role in enhancing India's strategic capabilities, including nuclear assets and missile defense systems.

Beyond defense, he has made substantial strides in alternative energy systems, clean coal technologies, and advanced power plants. His visionary initiatives have impacted various fields, including silicon photonics technology, Indian microprocessors, and high-speed rail systems. Dr. Saraswat's numerous accolades, such as the Padma Bhushan and Padma Shri awards, Vikram Sarabhai Memorial Award, and APJ Abdul Kalam Lifetime Achievement Award, recognize his exceptional contributions to science and technology. With honorary doctorates from more than 25 universities, Dr. Saraswat's dedication and visionary leadership have left an indelible mark on India's scientific and technological landscape, making him an esteemed figure in the academic and scientific communities.

The Dean's Address

We aim at establishing a paradigm of Medical Education that is focussed on excellence at all levels, creating doctors capable of handling any situation and operating strictly within the realm of Medical Ethics.

Graphic Era Institute of Medical Sciences, in the coming years will be setting a benchmark for quality Medical Education across the globe while undertaking exceptional research challenges.

Dr. Sundar Lal Jethani

Dean, Graphic Era Institute of Medical Sciences

Brief Profile

Dr. Sundar Lal Jethani, Professor in the Department of Anatomy at GEIMS, Dehradun, brings over 28 years of experience in medical education and healthcare. He completed his MBBS and MS in Anatomy from GR Medical College, Gwalior, in 1990.

Dr. Jethani has held key administrative roles, including Medical Superintendent, Principal, and Dean at HIMs, Dehradun. He has contributed significantly to the field of anatomy, with over 42 publications and leadership in various conferences. His dedication extends to public health, notably in the DOTS program for tuberculosis elimination. A respected mentor, Dr. Jethani is also an influential member of the Uttarakhand Medical Council.

World Class Learning Infrastructure

Fully Digitised Lecture Theatre

The lecture theatres at GEIMS including one in the Hospital is a sight to behold. The Lecture theatres are completely digitised with multiple projection screens for extended learning and a fully digitised touch enabled digital podium for digital learning for all students.

Library

The GEIMS Library is a modern two-floor facility, offering extensive reference materials and access to online journals through a digital system.

Learning Through Curated Medical Museums

Each department has a well-equipped museum in the main academic block, curated with essential artifacts for an immersive learning experience.

Centralised Fully Digitized Laboratory

The Laboratory at GEIMS is a fully digitised and completely automated state of the art Laboratory capable of performing the most sophisticated tests.

World-Class Skill Laboratory

The medical college features one of the country's top skill lab setups, offering comprehensive learning resources. From Day 1, medical students have access to all procedures and digital learning tools in dedicated, expansive facilities.

More than 30 Years of Trust, Now in **World Class Healthcare as well**

Graphic Era Institute of Medical Sciences, commonly known as Graphic Era Hospital is bringing a paradigm shift in the way India views healthcare. We provide state of the art healthcare services while ensuring affordability.

Cutting Edge Medical Technology

From the latest globally leading equipment in healthcare to the best practices from Top Medical Institutions across the globe, Graphic Era Hospital provides you advanced healthcare solutions at an affordable price.

Affordability

Patient Care and Life Saving is the top priority at GEIMS, and the affordability of the services and acceptance of public benefit schemes such as Ayushman Bharat, bears testimony to this vision.

Cathlab**

Qualifying and Eligibility Criteria

Qualified candidates (both General & NRI category) will be allotted to Graphic Era Institute of Medical Science by the MCC (Medical Counselling Committees), based on the online centralized allotment list published in the MCC website www.mcc.nic.in

Selection Criteria

MBBS admissions are based on the NEET UG-2025 All India Rank (AIR). After the NEET UG-2025 results are declared, candidates should visit the MCC website to participate in the All India Deemed University UG counselling conducted by the Directorate General of Health Services (DGHS), Ministry of Health & Family Welfare, New Delhi. Regularly check the MCC website for updates on counselling schedules, rescheduling, counselling procedures, and other important announcements.

Program Details

(Duration of the program)

**MBBS, UG - 4 ½ year plus 1-year
rotatory internship.**

Admission Process

MBBS admissions at Graphic Era Institute of Medical Sciences are conducted in accordance with the guidelines set by the Medical Counselling Committee (MCC).

Seat Category

- a. **General Category** – As per DGHS MCC guidelines.
- b. **NRI Category** – As per DGHS MCC guidelines.

Proxy Reporting for Admission

Admission by proxy is not allowed. Candidates who fail to report in person to the Admission Office will have their admission cancelled. In rare cases of illness, the Admission Committee may, at its sole discretion, allow a parent to attend counselling on the candidate's behalf. This requires a written request, authorization from the candidate, and a medical certificate from a Medical Officer of at least Civil Surgeon rank or a Clinical Associate Professor of a Medical College, submitted at the time of reporting.

Verification of Documents

- I. All admissions/ allotment are subject to verification of the original certificates and documents submitted by the candidates. The decision of the Admissions Committee regarding the eligibility of applicants shall be final.
- II. If at any time before or after admission it is found that the candidates does not meet the eligibility requirement, a seat will be denied to him/her. Therefore, it is the sole responsibility of the candidates to ensure that he/she meets all the eligibility requirements.
- III. At the time of reporting for Admission to Graphic Era Institute of Medical Sciences, Dehradun, candidates should produce the following documents/ certificates in Original along with One Set Of Self Attested Photocopies:

1. Provisional Allotment letter from MCC.
2. NEET – MBBS or MD/MS Score Card.
3. NEET – MBBS or MD/MS Admit Card.
4. A document to prove the Date of Birth (SSLC or Birth Certificate).
5. Transfer Certificate & Character and Conduct Certificate form the Head of the Institution last studied.
6. Migration Certificate.
7. Two copies of Aadhar Card and PAN Card of the candidate.
8. Recent passport size close-up colour photographs of face – 8 (Nos).
9. Copies of all certificates (one set – self attested)
10. Physically Handicapped Certificate (if applicable)
11. Caste Certificate (if applicable).
12. Medical Certificate for physical fitness and mental soundness from a medical officer (Government Hospital/ Government Medical College) not below the rank of Civil Surgeon or a Clinical Associate Professor of a Medical College (as per the format prescribed).

In addition to the above, NRI Candidates are required to produce the below documents:

- I. Documents claiming that the sponsor is an NRI (Passport, Visa of the sponsor).
- II. Relationship of NRI with the candidate as per the court orders of The Hon'ble Supreme Court of India in case W.P. (c) No. 689/2017– Consortium of Deemed Universities in & Ans. Vs Union of India & Ors. Dated 22-08-2017.
- III. Affidavit from the sponsor that he/she will sponsor the entire course fee of the candidate duly notarized.
- IV. Embassy Certificate of the Sponsor (Certificate from the Consulate).
- V. NEET Score Card of the candidate.
- VI. Copy of passport and visa of the candidate.

All the certificates submitted are subject to scrutiny. In case of any fake/bogus/false information, the admission office will initiate the same to DGHS and cancel the enrolment process. During this course of action, if the college suffers any damages/ loss of reputation due to vacancy, Graphic Era Institute of Medical Sciences (GEIMS) reserves the right to claim liquidated damages from the candidate.

How to Apply?

Step 1: Ensure NEET qualification for MBBS admission.

Step 2: Register online at www.mcc.nic.in for All India Quota (AIQ) counselling.

Step 3: Prioritize GEIMS as your first choice during choice filling in round 1 for MBBS.

Step 4: Stay updated on All India Quota (AIQ) merit announcements at www.mcc.nic.in

Step 5: If allotted a seat at GEIMS, download the allotment letter and complete verification and fee payment as per scheduled dates.

Step 6: In case of non-allotment, continue with subsequent counselling rounds (Round 2, Mop-up round, and stray vacancy) with GEIMS as your first preference.

Admission Cancellation & Refunds

Scenario:

Candidate who joins through MCC allotment and then upgrades to the next round to another college.

Process:

Cancellation procedure as per the DGHS/MCC Counselling Norms.

Scenario:

Candidate cancels admission (in any circumstance) leaving the seat vacant for the entire course duration.

Process:

First year Course Fees paid will not be refunded. In addition to this, residents should pay the Tuition Fee for the remaining course duration (as applicable to each course) as liquidated damages to the institution.
